

The Career Journey at Macmillan Academy

CEIAG works along side, and within, a busy curriculum for our students. It's aim is to provide the skills, confidence and ability to help a student to make well researched and impartial decisions about their choices.

PSHE Year 7, 8, 9	Experience of work Year 9, 10, KS5	Assemblies KS4	College Taster Days Year 9 & 10	Registration KS4 & KS5	Jobs Fair KS4 & KS5
Students explore their skills, qualities, career choices, gender stereotype, employability, the labour market	Students gain work experience within Macmillan Academy and use the skills acquired, to gain external work experience.	Guest speakers from Further Education Colleges, training providers and Universities, offer impartial information and advice to the students.	Visits to colleges to give an insight and help to prepare students for their next transition.	Students investigate topics on C.V. Skills, Interview preparation, cyber bullying, being an active citizen.	Employers are available to speak with students and parents regarding jobs, their company, expectations in the workplace and volunteering.

Links with Higher Education Year 9 , KS4 & KS5	Interviews Year 9, 11 & KS5	Applications & CV Writing KS4 & KS5 Year 9, KS4 & KS5	Ask the Experts Year 12	One To One Advice & Guidance.
Students have the opportunity to explore Higher Education through visits, guest speakers, workshops & the Gifted & Talented programme.	Students attend interviews with Senior Leaders & qualified Career Practitioner to discuss their choices & their futures.	Workshops are available through lunchtime or after-school. Practice is also on offer in tutor time and through PSHE.	Employers & Universities offer advice on employment, courses, UCAS, CV's, applications & LMI	The Careers Team is accessible to students for CEIAG. One to One interviews are for all Year 11 students, including parents / carers. Drop in interviews for all school which can include mock interviews, job applications, & CV writing.
