- Katie Jeff 8RMO
- James Dickinson 9KWA
- Phillip Sidwell 10IL
- Eleanor Downs 10IL
- Alisha Hussain 10IL
- Lee-Anne Truong 12CB
- Sanna Hussain 12JCR

Issues Raised:

- Fones 4 Schools: - A dozen phones collected in the week which shows it is not a
Success
 - Run it as a project alone next time so it has more concentration on it
 - 260 phones at the moment and we need 300
 - The campaign needs a bit more persuasion
 - Re-consider after Fair trade Fortnight
- Paper Recycling : - Running fine at the moment
 - We need bigger bins
 - Get a scheduled collection time and date
 - Use more of the paper as scrap paper
 - Ways and ideas of how each classroom can get their bags emptied
 - Teachers need to have more of a responsibility nor students
- Plastic Recycling : - Educate students on how to recycle plastic
 - Art Department's collection of bottles could show how much plastic we use over a period of time
 - Consider ways of recycling plastic, a crusher, compost bottles, transportation of the bottles

- RAISE AWARENESS on the issue
- Consider the use of the incinerator
- Research on bottles by Alisha
- Bins attracting awareness to the local community
- Work on recycling logos
- Notice Board : - Logo for recycling
 - Logo combined with the Macmillan academy badge to be considered
 - Photographs of members on the notice board
- Fair Trade Fortnight : - Takes place on the 7th March
 - Announce the poster competition
 - Tokens for Fair Trade Items
 - Academy Students to run the stalls during the fortnight
 - Fair Trade Display board to be done by Mrs Campbell and Sanna
 - Advertise on Fresh done by Mr Cox and James
 - Notes to be placed in registers
- Dott 07 : - Awareness of Dott 07 needs to be raised
 - Tracking Sheet awareness to all tutors involved
- Any Other Business : - Awareness of energy rates
 - Bring up awareness on notice boards
 - Update the web page with the awareness
