

## Mental health and wellbeing resources for children and young people

We know that you may be experiencing a variety of feelings in response to the COVID-19 outbreak such as anxiety, stress or low mood. It is important to understand that these are normal responses to an abnormal situation. We have put together some useful links and sources of support so that you get the advice and help you need.

### If you need urgent advice or support

Summary of support	How to contact	Age range
