Purpose of the policy

This policy details how Macmillan Academy deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

Invigilators

- By attending training and/or update sessions, ensure they understand what to do in the event of an emergency in the exam room
- Follow the actions required in the emergency evacuation procedure issued to them for every exam room
- Confirm with the exams officer, where different procedures or assistance may need to be provided for a disabled candidate they are invigilating
- Record details on the exam room incident log to support follow-up reporting to the awarding body by the exams officer (see below)

Other relevant centre staff

- Support the senior leader, SENCo, exams officer and invigilators in ensuring the safe emergency evacuation of exam rooms

- the actual finishing time(s) of the resumed exam(s)

Further details could include:

- report on candidate behaviour throughout the interruption/evacuation
- a judgement on the impact on candidates after the interruption/evacuation

Emergency evacuation procedure

Invigilators are trained in this procedure and understand the actions they must take in the event of a fire alarm or other emergency that leads to an evacuation of the exam room.

Emergency evacuation procedure
Actions to be taken (as detailed in current JCQ Instructions for conducting examinations section 25, Emergencies)
Stop the candidates from writing
Collect the attendance register (in order to ensure all candidates are present)
Evacuate the examination room in line with the instructions given by the appropriate authority
Advise candidates to leave all question papers and scripts in the examination room Candidates must be advised to close their answer booklet
Candidates should leave the room in silence
Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination
Make a note of the time of the interruption and how long it lasted
Allow the candidates the full working time set for the examination
If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination (Candidates must be given the opportunity to sit the examination for its published duration)
Make a full report of the incident and of the action taken, and send to the relevant awarding body
Additional centre-specific actions to be taken
When/if allowed to return to the exam room, allow candidates time to settle down, reminding them they are still under formal exam conditions and that they must not restart writing their answers until instructed to do so.
Announce clearly to candidates when they may begin to write their answers (the exam will formally resume at this point) and specify the remaining time allowed for the paper(s)
Record the time the exam(s) resumed and amend the displayed finishing time(s)
Record as much detail on the exam room incident log (ensuring candidate are continually supervised throughout the whole time the resumed exam is in progress and giving complete attention to this duty at all times) and ensure the exams officer is fully briefed at the end of the exam(s) to enable a full report to be submitted to the awarding body/bodies
Where not allowed to return to the exam room, or the decision is made that the exam(s) cannot be resumed, the centre's exam contingency plan will be invoked and you will be briefed accordingly at the time
