

ART - YEAR 9

Monsters: Wire Sculpture

You will explore Surrealism, Steam Punk and literature to inform your understanding and develop ideas for monsters. You will develop your observation skills by documenting creatures. Using your imagination, you will create a creature and translate your ideas into a wire sculpture. This half term you will explore the mythical creatures of Greek and Japanese art. In addition, you will learn about the creatures on Renaissance maps and the monster depicted in a monster calls.

Monsters: Wire Sculpture (continued)

This half term you will explore the concept of sea monsters and develop an outcome to consolidate your learning.

Industrial landscape: 2D texture

This project gives you the opportunity to build on your Y8 landscape work and explore and celebrate the local landscape through the eyes of an artist. You will explore the work of local artists. You will experiment with a range of techniques to support you in developing your skills. In addition, you will develop an abstract style and an atmospheric outcome. This term you will experiment with documenting our local industrial landscape using pen. You will have the opportunity to stylize your drawings inspired by the ceramic artist Paul Scott.

Industrial landscape- 2D texture (continued)

This half term you will experiment with abstracting your observations and explore the qualities of paint. Producing an atmospheric outcome.

PERSONAL PROJECT/ TYPOGRAPHY

The rationale behind this project is to enable you to explore a theme as an artist. Many of you will be opting to take GCSE and the project will support you to understand how to present a GCSE project and how it will be assessed. For those of you who are not opting for art it will give you an insight into how art can support your future learning and help you look after your well-being. This term you will develop ideas, explore media and make observations to support you in the final piece that you will present next half term.

PERSONAL PROJECT/ TYPOGRAPHY (continued)

This half term you will have the opportunity to present your final outcome, refining and reflecting upon it as you go.
