Dear Parent/Guardian,

It is important to state at the very outset that what is contained in this letter will not impact in any negative way on the standard of education provided by Macmillan Academy.

On Wednesday 1st November 2017, Macmillan Academy Trust, the limited company which operates Macmillan Academy and employs the staff will change status from a single academy trust to a multi academy trust.

This aligns us to current education policy and is practised by many other local schools in the Tees Valley area. We are currently classed as a Single Academy Trust and all the advice received indicates that we should work with other schools.

The only obvious changes for you will be in the titles of senior staff. While remaining Principal of Macmillan Academy, Phil Latham will become the Chief Executive Officer (CEO) of the trust. Ken Fraser has relinquished his recent Executive Principal role and will now chair the new multi academy trust which is named 'Endeavour Academies'.

Should you have any questions about anything contained in this letter, please email enquiries@endeavour-academies.org.uk and we will respond accordingly.

Yours sincerely,

Dr Melanie Malden
Chair of Macmillan Academy Governing Body
