## A NOTE FROM MRS CONING

As we come to the end of another busy term, I wanted to take a moment to say well done to our students for their hard work and positive attitude. It has been great to see so many achievements across the academy, whether in lessons, on the sports field, or through the many activities taking place beyond the classroom. Our students continue to represent the academy brilliantly, and we are very proud of them. A big thank you also goes to our staff for their commitment and energy, and to parents and carers for your ongoing support—it really does make a difference. I hope everyone enjoys a well-deserved break over the holidays and has the chance to rest and recharge. We look forward to seeing students back next term, ready for more success.

Mrs Coning

## STRESS AWARENESS MONTH

We're encouraging all students to take part in our 30-day wellbeing challenge, with simple daily activities to help manage stress and boost wellbeing.

## JOBS FAIR 2026

The 2026 Annual Jobs Fair at Macmillan proved to be one of our most dynamic and impactful events yet, bringing together more than 50 employers from across the Tees Valley who were eager to showcase their organisations and the growing range of career opportunities available to our students. The evening once again demonstrated the power of partnership between education and our local community, helping students, families, and employers connect in such a meaningful way.

This year's fair highlighted the rapidly expanding career landscape across the Tees Valley, with businesses representing established industries as well as emerging sectors shaped by regional investment and regeneration. Employers from engineering, health and social care, digital technology, renewable energy, finance, retail, public services, and creative industries were on hand to offer insights into apprenticeships, full-time roles, internships, and pathways into growing local industries.

With the Tees Valley continuing to see growth through developments in clean energy, advanced manufacturing, and digital innovation, students had the chance to explore opportunities that are shaping the future of the region.

## JOBS FAIR 2026

## LUNAR NEW YEAR 2026

Our Mandarin students welcomed the 2026 Year of the Horse with colour, energy, and creativity. From lively performances and cultural activities to calligraphy, quizzes, and impressive presentations, their enthusiasm for Chinese language and culture truly stood out. A huge well done to everyone involved — a fantastic celebration of learning, community, and cultural diversity!

### LUNA NEW YEAR 2026

## HIGHER IDEAS EXCHANGE

Our students and their families once again made the most of an inspiring Higher Ideas Exchange 2026 event. This year's evening brought together an exciting range of universities, specialists, and higher education providers, offering invaluable opportunities to explore pathways beyond Post 16 study, with the event creating an opportunity to gather key insights into the journey ahead.

Students from Year 9, KS4, and Post 16 attended the event, taking part in meaningful conversations with university representatives and learning more about the skills, qualifications, and experiences that are needed to support successful transitions into higher education.

Our students and their families had direct access to universities from across the UK. Alongside local providers, we welcomed a wide range of universities from further afield. Building on previous years, the 2026 event expanded even further with the addition of specialist subject pathways. Students had the opportunity to ask questions, compare courses, and gain fresh insight into the application process helping them make confident, informed decisions about their future.

## ECO-SQUAD UPDATE

Our Eco-Squad took part in the Big Schools' Birdwatch, demonstrating great enthusiasm and curiosity about the natural world. They spent time carefully observing and recording birdlife around the school site, developing their identification skills and appreciation for local wildlife.

They were delighted to spot a small flock of six finches gathered in one of the trees, a real highlight of the session. In total, six other bird species were also recorded, making it a successful and rewarding experience.

A fantastic effort from our Eco-Squad in supporting conservation and helping to build a clearer picture of the wildlife around our school.

Our Eco Squad took part in the Great Big School Clean this week, showing fantastic commitment to caring for our environment. They litter-picked around the school grounds, helping to keep the area clean, tidy, and welcoming for everyone.

As well as making an immediate difference, students helped raise awareness about the importance of protecting our planet and taking pride in our surroundings. A brilliant effort from all involved.

## POST 16 FOOTBALL SUCCESS

The Post 16 Men's football team continued their North East Colleges' title push with a strong away win against King James College at Shildon AFC.

Another three points on the board, with goals from Callum, Max, Zac and Sam, whose brace earned him Man of the Match.

## RAMSDENS VISIT - YEAR 12

Our Year 12 students enjoyed an informative visit to Ramsdens HQ.

They explored a range of departments, learned about different career pathways, gained valuable advice on applications, and developed practical skills in identifying gold and silver hallmarks. The highlight of the visit was meeting the CEO and hearing first-hand insights into the business. A fantastic opportunity to experience the world of work in action.

## SCIENCE GILL DISSECTION

Year 12 biologists got hands-on with a salmon gill dissection last week, bringing exchange surfaces to life for their A Level studies. By observing and drawing the gills, students explored how specialised structures maximise oxygen uptake, sparking great discussion on counter-current flow and ventilation.

## BTEC SPORT - TEESSIDE UNIVERSITY

Post 16 students visited Teesside University with both BTEC Sport and A Level PE students.

Whilst at the University the students had a Q&A with Middlesbrough FC Ladies, including Armani Maxwell, an ex-Macmillan student. In the afternoon sessions the students were involved in a taping session, biomechanics and even had to undertake a bike/run in a humidity chamber!

## HUMAN NATURE CANDLE CONFERENCE

Our Year 12 and 13 religious studies students recently travelled to York for the Human Nature Candle Conference.

They spent the day listening to guest speakers and exploring different philosophical and theological ideas about human nature, linking closely to topics from their A Level course.

## BIOLOGY - TEESSIDE UNIVERSITY

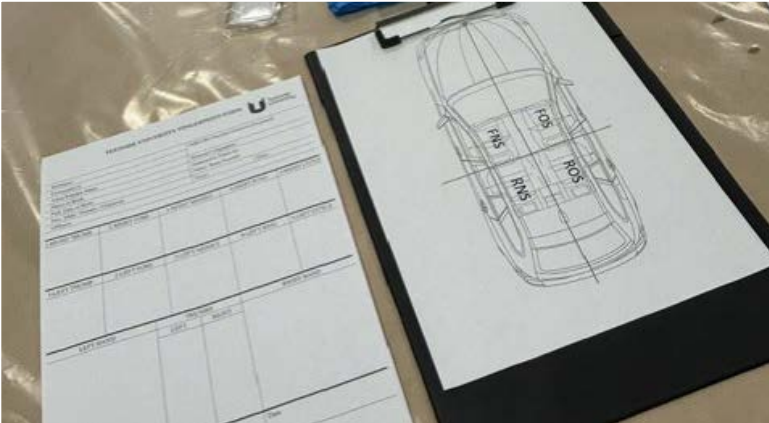

Our Year 13 students visited Teesside University today for an exciting biology trip. During the day they took part in a range of practical sessions including DNA extraction and analysis, an anatomy study workshop, a forensic crime scene investigation, and bacterial identification in the lab.

It was a fantastic opportunity to experience university-level science and apply the techniques they've been learning in the classroom.

## TEESSIDE UNIVERSITY - CRIME DAY

Post 16 students took part in an exciting educational visit to Teesside University's 'Crime Day' on Wednesday 19th February 2026, gaining hands-on insight into real-world criminology, forensic science, and investigative practice.

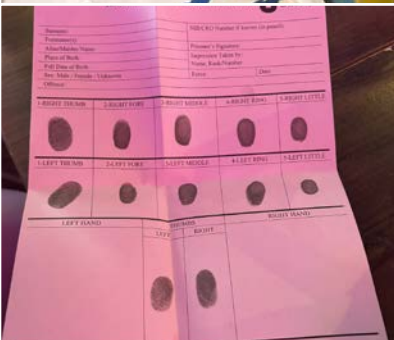

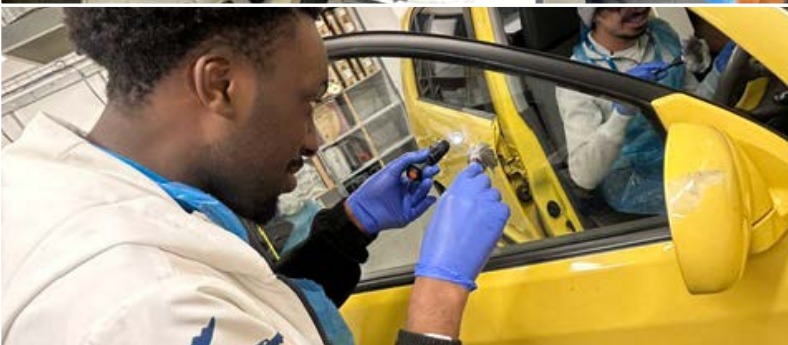

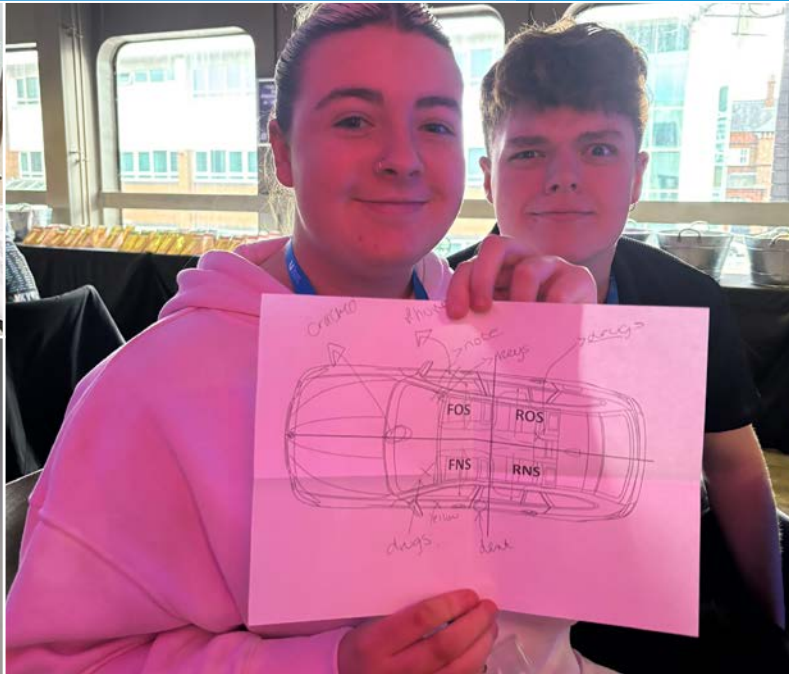

Throughout the day, students rotated through a series of interactive workshops led by university academics and specialist practitioners. Activities included crime-scene examination, fingerprint analysis, digital forensics demonstrations, and sessions exploring criminal behaviour and the justice system. Students were encouraged to think critically, problem-solve collaboratively, and experience the tools and techniques used by professionals working in criminology-related fields.

The visit offered valuable enrichment for learners studying psychology, sociology and criminology, giving them a taste of university-level study and potential future career pathways. Staff praised students for their engagement, curiosity, and thoughtful questions throughout the event.

Opportunities like Crime Day continue to strengthen Macmillan Academy's strong partnership with Teesside University and provide Post 16 learners with meaningful experiences beyond the classroom.

## TEESSIDE UNIVERSITY - CRIME DAY

## CLEVELAND FIRE BRIGADE VISIT

Our Post 16 Advance Group students had an incredible experience this week as the team from Billingham Fire Station visited the academy. They delivered an engaging and inspiring insight into the role of a Fire Officer, the realities of the job, and the standards required to serve in the fire service. The highlight was having the fire engine on site, with students able to sit inside and handle the equipment, bringing the profession to life in a way no classroom lesson ever could. A huge thank you to Cleveland Fire Brigade for going over and above to inspire the next generation of public service professionals.

## FOCUS

SPRING 2026  
Year 10 Edition

### A CATCH UP WITH HEAD OF YEAR

As we move into the summer term, it has been a real pleasure to see the continued growth and maturity of our Year 10 students. This is an important stage in the school year, where positive habits, resilience, and consistent effort begin to make a real difference. We have been particularly impressed by the way many students have approached their learning with greater focus and independence, while still supporting one another along the way. As we look ahead to the months to come, we encourage all students to keep building on this momentum—remembering that progress does not require perfection, just a willingness to keep trying and improving each day. Enjoy the Easter break and we look forward to welcoming you back for the summer and final term of Year 10!

Take care  
Mrs Jones & Miss Yale

### YEAR 10 SPOTLIGHT

#### GIRLS CRICKET SUCCESS

An outstanding performance from this Year 9–10 girls squad, securing victories over Cundall Manor, Acklam Grange, Kings Academy, Fulford School and Richmond to lift the North Yorkshire title.

#### NOUGHTS & CROSSES

Our Year 10 students recently attended a performance of Noughts & Crosses. The powerful production brought the themes of the novel to life and gave students the chance to experience the story in a new way. It was a thought-provoking trip and a great opportunity to support their learning beyond the classroom.

### YEAR 9 SPOTLIGHT CONTINUED...

#### WORLD OPTOMETRY DAY

Dr Faith from Teesside University spoke to Year 10 students about the variety of aspects to the career from solving vision issues to diagnosing brain tumours and dementia through eye tests. Students were totally engaged and asked many questions. Are these potential future optometrists?

#### ARTIST OF THE WEEK - LACEY

Lacey completed a series of digital drawings for her homework based on industrial landscapes. Well done Lacey.

#### TUTOR GROUP OF THE WEEK

A huge well done 10WWI for achieving attendance tutorgroup of the week.

#### ARTIST OF THE WEEK - ETHAN

Ethan created 'joiner' photographs inspired by the work of David Hockney. Well done Ethan.

### GET IN THERE

Our Get In There campaign is still up and running. It's all about boosting attendance, staying engaged, and making every school day count.

## DOFE PROGRAMME - SILVER AWARD

120 Year 10 students have signed up for the Silver DofE programme this year. The first groups have already completed their navigation days in the countryside around Osmotherley, honing the skills they developed during their Bronze Award while learning new techniques they'll need for their expeditions in the wilder parts of the Lake District.

During the training days, students practised map reading, route planning, and teamwork while navigating across varied terrain. These sessions are an important step in preparing them for the challenges of their upcoming practice and qualifying expeditions later in the year.

### WRITER TALK - PHIL MEALY

We were delighted to welcome Phil Mealey to the academy recently. Phil is an acclaimed actor and writer, best known for his work on *The Royle Family* (2006–2012), *Early Doors* (2003–2004) and *Sunshine* (2008). He joined a large group of Year 10 students in the Theatre for an inspirational session that explored not only the craft of writing, but also the importance of setting goals, resilience, and determination to succeed.

In a second workshop, a mixed group of Post 16 and Year 10 students were invited to take part in a hands-on writing session.

This lively workshop gave students the chance to pick up expert tips, develop script ideas, and even read their work aloud for feedback.

The sessions were thoroughly enjoyed by all, and it was fantastic to see our language students so actively engaged—learning from a renowned writer while gaining confidence in their own creative abilities.

### ◀ GOPHER SCIENCE DAY WITH ARCHIBALD

Year 10 students recently hosted an engaging Gopher Science lab day for Year 6 pupils, leading hands-on activities and demonstrations. From exploring how butterflies drink nectar to discovering why slugs and snails use slime, and learning why leaves change colour in autumn, it was a fantastic day of practical science, building knowledge, confidence, and communication skills across both year groups.

### SPRING TERM CELEBRATION ASSEMBLIES

YEAR 7

YEAR 8

YEAR 9

YEAR 10

YEAR 11

As has become tradition, our year group achievement assemblies took place across the last week of the Spring Term. Lots of very deserving students had their efforts and progress celebrated within lessons, across attendance, and even with some very special Head of Year recognition postcards. It was fantastic to see such a wide range of achievements acknowledged, reflecting both the hard work and commitment shown by our students throughout the term.

## RECOGNITION WALL

Our Wall of Fame showcased work produced by students from Years 7 to 13 from our Maths, MFL and ICT departments during the Spring Term. The quality of the work adorning the Wall is testament to the efforts of both the students and the staff involved. Well done everyone!

## R&R BOWLING TRIP

Over 90 students enjoyed the Spring Term Reward Trip recently at Hollywood Bowl at Teesside Park. Competition was fierce and the facilities of the venue were very much enjoyed by the students who earned an invitation by being awarded the highest number of 'student of the lesson' positive behaviour points in their year group this term. They were joined by others who had achieved a 100-day consecutive attendance streak – congratulations to all.

### R&R BOWLING TRIP

## R&R GOLDEN TICKET DAY 2

The very last day of term (April 2nd) saw the return of our popular Golden Ticket Day. Students were once again very eager to earn an on-the-spot golden ticket for demonstrating extraordinary effort. Across the day well over 300 students were awarded a golden ticket from many different members of staff for their efforts in lessons, towards attendance, showing progress or via a contribution they have made to the academy. At the end of the day students who had received a golden ticket were able to choose a reward of their choice, from Easter treats, to queue busters or entry into draws for bigger prizes. The day proved a fantastic way to start the Easter holiday.
